# 2002 Barossa Valley Estate Ebenezer Shiraz

## Background Information

The picturesque village of Ebenezer was founded in the northern region of the Barossa Valley in 1851. The first vineyards at Ebenezer were established at the time of settlement and have been painstakingly nurtured ever since. It is from these vineyards that the Barossa Valley Estate Ebenezer range was born.

## Tasting Notes

Deep earthen blood red in appearance with purple hues the Ebenezer Shiraz exhibits aromas of lifted cherries and plums with chocolate, spice and oak tones. The palate has a full, rich and ripe long finish, firm flesh with soft feel of rounded tannins

## Winemaker's Notes

Fruit for the Ebenezer range of wines are picked predominantly from low cropping Barossa vines ensuring that the wines are rich and full bodied with intense varietal and regional character.

The fruit for the Ebenezer 2002 Shiraz was sourced predominantly from the older vineyards in the northern area of the Barossa Valley. Grapes were hand harvested from vines up to fifty years of age. Traditional winemaking techniques were employed to ensure fruit intensity and length.

**Vintage**  
2002

**Growing Areas**  
Barossa Valley

**Grape Variety**  
Shiraz

**Winemaker**  
Stuart Bourne
