2005 VINTNERS BLEND CABERNET SAUVIGNON

Winemaker's Notes

The 2005 Vintners Blend Cabernet Sauvignon is a lovely balance of Cabernet, cassis-like fruit mingled with an oak spiciness and earthy complexity. It is fresh, bright, and pleasing to the nose. In the mouth, it is balanced, flavorful, and has a long finish that is never heavy or cloying. This is the perfect wine for food and will make a pleasing accompaniment to your everyday meal. Please enjoy this wine on a regular basis. Make it your "house Cabernet" for it will surely please both you and your guests. This is a delicious wine at a great price.
